

Hi there !  
I am

**RAMANDEEP SINGH**  
**INTERACTIVE MEDIA DESIGNER**

( All are the final prices and are only for the design. Printing is not included and available. )

### Wordmark \$50

This shows the basic idea and feel of the brand which includes the sketches for the logo, typography(fonts) and colour scheme provided in JPEG or PNG format.

### Logo \$80

Your logo is representing your Brand and is important. After the final selection from the sketches, work on the logo will start right away and will be provided in PNG and SVG formats.

Its **\$50** extra if logo animation is required in mp4 format.

### Flyer \$40

Advertisement and Announcements are important to increase your customer count. Get your flyer in a print ready PDF format in any custom size.(One page only)

### Business Card \$60

Want a good impression of your brand. Get a designer Business Card that speaks about your brand.(double sided)

### Website

Do you need a good website for your brand? You are on the right track. Get your desired website from here. The price will be finalized after the one-on-one conversation according to the needs of the website.

### Others

Photography, Video Editing, Motion graphics etc. will be priced according to the requirements.

Thank you :)
